Approximately three miles past the schools is Adamson. There is a billboard for Sierra Knolls Winery on the corner. Turn left onto Adamson. One mile up is Woodacre and turn left. Make an immediate right hand turn onto Inspiration Lane. Inspiration has a home made street sign. Inspiration will make a sharp turn to the left and the house is the first driveway past the turn. It's a big yellow house with green and white trim and a black wrought iron gate with a horse jumping a fence. 20855 Inspiration Lane.
