Instructors:

Jennette Scanlon

Jennette Scanlon is a USDF Certified Instructor at Training-Fourth Level, USPC National Examiner, and a USEA ICP Level II Certified Instructor. Jennette, who operates her own training business, has also earned her USDF Bronze, Silver, and Gold Medals on a horse she started under saddle. Jennette continues to extend her knowledge, which has led her to becoming a USDF L Graduate with Distinction.

Judy McHerron

Excellent instructor, USPC graduate, clinician and long time National Examiner, Judy's instruction will help you prepare for that next certification and have you thinking positively and working even better with your horse. USDF Bronze medal, numerous local and regional awards in Dressage and Eventing with horses she has trained from the ground up. Teaches regularly with two local Pony Clubs.

Katy Barglow

Katy is a grand prix dressage trainer, graduate HA, USPC National Examiner, and USEF "R" dressage judge. She has trained and competed more than 10 horses at the FEI (International) levels, and holds USDF Bronze, Silver and Gold Medals and Freestyle Bars, and had coached students through all levels of dressage and to National level pony club certifications. Katy is a member of the USPC Academy of Achievement, former member of the National Examiner Committee, and former head of the test writing committee for the Dressage standards. In her non-horse life, Katy is a PhD scientist and executive at a Biotech company, and mom to her 9 year old son (himself a D1!). She lives on a small farm in Walnut Creek, California, with her husband, son, 4 rescue cats, 2 giant goldfish, and a small herd of retired and young horses.

Olivia Byron Cooper

Olivia Byron-Cooper was introduced to the sport of eventing through The Santa Ynez Valley Pony Club where she graduated with her A rating. She currently owns and competes two young off the track Thoroughbreds and teaches a variety of students at her ranch in Placerville, CA called Spit N Grit Eventing. Olivia is known for her ability to form partnerships with quirky horses and can help her students overcome roadblocks in their riding and training by providing them with the tools that have worked for her over the years. Olivia credits Pony Club with providing her a solid foundation in her riding and horsemanship and is excited to work with the Sierra Pacific Pony Clubbers!

Earl McFall

Earl McFall is a graduate "A" Pony Clubber and is still actively involved in the program, teaching at local pony clubs and summer camps. Earl has competed successfully in Grand Prix Jumpers and through the Advanced level of Three-Day Eventing and was long listed for the Olympics in 2000. He is an active Eventing competitor/instructor and has brought countless horses up through the levels with tremendous success.
